

Science Classroom Rules

- 1. Respect your classmates and all school staff**
- 2.** Late work is 50% off. Late work will only be accepted for **ONE DAY** past its due date.
- 3.** Cheating will not be tolerated. If you let someone cheat off your work, **YOU** are also cheating.
- 4.** Handwritten homework must be clearly legible, or it will be considered late and must be redone.
- 5.** Typed homework must be in proper format (not texting lingo). Proper grammar and punctuation is expected. Otherwise it will be considered late and must be redone.
- 6.** Students must sign out on the sign-out sheet to leave the classroom.
- 7.** Students are allowed to leave class 3 times a quarter for personal reasons. You must have passbook with available passes.
- 8.** The side door in the science room is not for regular use.
- 9.** The lab area is off limits unless performing a lab.
- 10.** Lab safety gear must be worn if in the lab. Apron, goggles, no sandals, long hair tied back
- 11.** iPad rules must be followed (see iPad Rule sheet)
- 12.** Students are to push their chair in when leaving class
- 13.** Students must follow classroom rules or responsibility points will be lost (see Responsibility Point sheet for more info)
